It is important to take a lot of time to have a conversation with your family.

On one hand, our family has a lot to offer when it comes to outdoor recreation, hiking, fishing, snowmobiling, ice skating in the winter, and all the other things that we love to do. And there are many more beautiful things in Concord than just the Hamlin tree and the old mill.

There is a lot to take in a room, from the architecture, the art, the music, and the food. During the winter, the local ice skating rink is a great place to spend some time with the family.

## Your CBD Store™ Concord

### Thank you to our valued and loyal customers!

#### Full & Broad Spectrum CBD:

We use phytocannabinoid rich (PCR) hemp that has a naturally high CBD level, and an abundance of other beneficial cannabinoids (CBG, CBN, CBC), as well as flavonoids, terpenes, and essential amino acids

#### Manufacturing and Extraction Process:

SunMed sources organically grown hemp from Colorado which has been certified by the Department of Agriculture and uses a CO2 extraction process, which eliminates the need for chemical solvents. This creates unique synergies that increase efficacy, target specific ailments, and increase the binding of CBD. Exerissecus aut eatem quassit iaecerit et remodisci
